TUCK'S POST CARD

CARTE POSTALE. POSTKARTE.

By Appointment.

Nœs or Aandalsnœs is a pretty little village situated close to the water's edge and surrounded by mountain and valley scenery of the finest description. It is within two and a half hours of Molde, by steamer, and is a favourite trip with tourists in this locality, who have to disembark at this point to explore the beauties of the Romsdal Valley.

(For Address Only.)
